EXPERIENCE

Software Engineer | Eonian Software Solutions, Ahmedabad, India | Jan 2023 – Jan 2025

- Designed and developed an enterprise CRM platform with React, FastAPI, and PostgreSQL, serving 500+ users.
- Integrated AI-powered image recognition features, reducing manual processing time by 25% and sharpening skills in performance-sensitive applications.
- Customized SharePoint lists and Power Apps to streamline workflows for enterprise clients.
- Automated Dynamics 365 CRM modules, cutting reporting effort by 30%.

Software Engineering Intern | TatvaSoft, Ahmedabad, India | Jun 2022 – Dec 2022

- Built and optimized React.js + Node.js applications, improving load times by 20%.
- Designed backend APIs and database schemas for production systems.

PROJECTS

CRM Platform | Eonian Software Solutions | 2024

- Full-stack CRM web application using React, Redux Toolkit, FastAPI, PostgreSQL.
- Features: User authentication, CRUD operations, role-based dashboards, campaign management.
- Delivered as a production-ready enterprise system with secure data handling.

AI/ML & Image Processing Platform (Eonian Internship) | 2024

- Built Next.js frontend with Redux Toolkit and FastAPI backend for image analysis.
- Integrated Hugging Face and pretrained models (Mistral, LLaMA, LLaVA) for AI tasks.
- Added OCR with PaddleOCR for document recognition workflows.

Power Platform Projects | 2023 – 2024

- Designed Power Apps integrated with SharePoint data lists.
- Automated workflows with Power Automate + DocuSign.
- Customized Dynamics 365 Sales & Opportunity modules.

Face Recognition Attendance System | L.J.I.E.T. | Sep 2023

- Developed in Python + Flask, integrating OpenCV for real-time face detection and Excel automation for reporting.
- Applied algorithms for recognition and performance optimization relevant to interactive systems.

Portfolio Website | Personal | Jun 2023 – Present

- Developed using React, Vite, TypeScript, Python, SQL; deployed on GitHub Pages.

ACTIVITIES & LEADERSHIP

- Programming Class Volunteer – Mentored peers in JavaScript, Python, and mobile app dev.
- Cricket Team Player (Pace Bowler, Fielder) – Represented college team in tournaments.
- Chess Club Member – Competed in tournaments, strengthening strategy and focus.
